11. Testimony

Note:

These texts **mainly** were created in 2009 and later reviewed and completed. Personal insights, I myself am convinced but I don't approach others with the claim "so said the Lord", just check it out... (Last editing was in 06/2019 a little addition on page 2 about the fig tree, before some other details in 01/2019)

1. Preface

There are two main endtime theologies, “pre-tribulation rapture” and “post-tribulation rapture” and both are false, because totally misunderstanding the term “tribulation”. Thats NOT the “wrath of God”. The tribulation is what the Antichrist and his people bring upon the children of God, the wrath of God are the trumpets and the shells of anger that God himself brings upon the children of Satan on earth after we left in the rapture. Rapture is after tribulation but before the wrath, trumpets and shells of anger.

The end of 70-years “Babylonian captivity” of Christianity under the reign of Humanism.

(I wrote the text above first in 2018 and there I expected the doom of Babylon quite soon after the end of the 70 years. But what happened was, that just on the date 17.12.2018 it was the first day after the rise to power of the “environment-religion” of Greta Thunberg & Co. The 16.12.2019 was the last day of this climate conference and right after this the schoolstrike-demonstrations started. This was the moment, when this ideologie really got power in society. So there was a real change of power, starting exactly on the 17.12.2018. But it was a change from one evil to the other and not a change in the way I expected it. Then I realised: The Fig-tree
The reason that in my understanding the main events will take a bit place later is the one year delay in the parable of the fig tree in [Luke 13,6-9](#) *let it ... this year...: And if it bear fruit, well: and if not, then after that thou shalt cut it down.*
So I changed this part and explain it here. Since Corona-crises and Project “ID2020” to me its clear, that year of change will be 2020. Corona is the beginning but the next big sign I expect in Damascus.)

Today many bible scholars talk about Ezekiel 38 and 39, but its not the time for Ezekiel, just read it:

<https://www.bibleserver.com/text/KJV/Ezekiel38>

*11 And thou shalt say, I will go up to the land of unwalled villages; I will go to them that are at rest, **that dwell safely**, all of them **dwelling without walls**, and having neither bars nor gates,*

“dwelling safely without walls”, meaning living safe without having capability for defense? Israel being safe without own capability for defense? That means, Israel under UN-protection. But Israel under UN-Protection means, Israel AND the US must have lost a war before !!!!!!!!!!!!!!!!

And this war might start very soon, so its not the time for Ezekiel 38, it’s the time for Jeremia 49 and Jesaja 17 and - yes I am serious - its also time for Revelation 18.

<https://www.bibleserver.com/text/KJV/Jeremiah49>

*27 And I will kindle a fire in the wall of Damascus, and it shall consume the palaces of **Benhadad**.*

<https://www.bibleserver.com/text/KJV/Isaiah17>

1 The burden of Damascus. Behold, Damascus is taken away from being a city, and it shall be a ruinous heap.

Its time for Jeremia and Jesaja, still not for Ezekiel. Anyway, about dates in politics, I can not be sure today, but I am sure about the following understanding of bible-prophecy:

2. Basic principles of the end times prophecy

2.1. Notes on the chronology

The book of revelation is not chronologically written. Understanding is to be "calibrated" by Matth. 24.1-31
E.g. Christ and bride marry not until Chap. 19 but she gives birth already in Chap. 12, do you insinuate they fornicate unmarried or Christ is too stupid to choose parables that fit? See in 6.1 the true sequence.

| | <u>Who is doing what?</u> | <u>Motto</u> | <u>Trace</u> | <u>Language</u> |
|--------------------|---|-------------------|--|-----------------|
| <u>Mt 24, 1-31</u> | Christ Almighty speaking about what he knows, does or controls. | ".." then will." | strictly chronologically Event report | Plain text |
| <u>Revelation</u> | Little John says what he sees but partly even don't understands | ".." then I saw." | Sometimes multiple images of a scene, NOT chronologically. | Pictures |

2.2. The emergence of central biblical images, such as "7 good and 7 bad years"

1. Clearly pointed out in the Bible is only on "7 bad years" in the end times. But beside this there is also shown that there will be a specific "**good** time", without naming a specific duration. This is characterized by **joy** ...

1. JOY about the doom of Babylon (not joy about 10 Million death but joy about the victory of truth)
2. JOY about the "wound of the beast".
3. JOY about the marriage of the lamb
4. JOY about the birth of the boy with iron rod

<https://www.bibleserver.com/text/KJV/Revelation18,20>

Rejoice over her, thou heaven, and ye holy apostles and prophets; for God hath avenged you on her.

This will not all happen in a few days, I think this will take about 3,5 years. But you can not understand this, as long as you try to understand Revelation chronically. More I explain later to this point.

2. Therefore my understanding: **14 years endtime, 7 good and 7 bad**? The image of the story of Joseph appears here. Am I right, this remained hidden until now and I don't contradict but explain bible. And the 7 good years will come in **two parts of 3.5 years each**, the second part we will experience after the rapture in heaven, while on earth, the "bowls of wrath' rage.

3. Mark13,20 says the days of tribulation are shortend.

Dan 9,27 says "one week" what here means 7 years what is around 2556 days

Dan 8,14 says "2300 days" and the difference is 256 days

This could be put at the beginning, "noticeable" the **14 years could begin delayed by about 256 days.**

4. **Exodus from Babylon** before it will be destroyed will be similar to exodus from Egypt or Sodom.

Only like this all fits together, this is the reason that I think this is not a new and false teaching, but only a deeper understanding what is already meant for thousands of years but stayed a secret till today.

2.3. The passion/end time image

The passion of Jesus Christ from "entry into Jerusalem" until "it is finished", ("good time and bad time"), shows parallels (not a rule) to end time events in Matth. 24.8-31 and Revelation, in particular chapter 12, 17, and 13.

2.4. Who against whom

Before of the Rapture, the Christians suffer from Satan and some limited natural disasters.

After the Rapture the evil suffer under the trumpets and bowls of wrath.

2.5 Rapture is NOT the NEXT to happen

We see the same signs, but for WHAT? Pre-tribulation rapture and so rapture as the next to happen?

Others think of a post-tribulation and so the tribulation as the next to happen. **Both are wrong. Sequence is**

- 1.) Fall of Babylon, 2.) "Wound beast" 3.) Marriage lamb 4.) Birth boy; 5.) Beast healed 6.) Tribulation 7.) Rapture

3. Principles for the search for the right time(-line)

3.1 Two main kinds of eras

The purpose of live on earth is to show our character in circumstances where God can be denied, so that fear of punishment does not prevent us to show who we are. Therefore it is not in God's interest to act all the time with too much wonders and proofs for his existence. He shows us enough to develop trust but not too much, that opportunism attracts too many wrong people. So there are two main kinds of eras:

1. Eras when god proofs himself mainly only in private relations to convince individuals

This is mostly the reality, even Jesus Christ himself could defeat all romans in the country in one day, feed 100.000 people at once and make cbm of water for them into wine....., so he would be accepted as Messiah in one day. But that was not his goal, his interests were to transport his message through private contacts and personal relations to individuals and then from individual to individual.

2. Eras when god proofs himself openly to rule the world

The great flood was a example for that or all the extreme wonders when Mose and Israel escaped from Egypt. This will happen again in the time when according to Revelation 18 Babylon the great will fall.

3.2 The turn of eras

<https://www.bibleserver.com/text/KJV/Exodus12,41>

41 And it came to pass at the end of the four hundred and thirty years, even the selfsame day it came to pass, that all the hosts of the LORD went out from the land of Egypt.

God acts within a plan, periods and eras. It was not the origin plan of God to create humans and then let them suffer for hundreds of years but humanity creates their problems itself by wrong decisions. Helping them out of their own misery God then gives specific times to make experiences. So living better in Egypt, living better in fascism, or communism, or gay-marriage or whatever people can think of an argument to resist gods origin plans, god gives a time that the results can show up. And after this, god acts in a "turn of eras"

➤ Like the wonders of the exodus of Egypt fit to a "turn of eras", it will be in the time of the "Doom of Babylon"

3.3 "One hour power of the beast" as the last evil era before the doom of Babylon

So when we want to understand when the fall of Babylon happens in an era where God is demonstrating his power openly, we have first to understand the era that comes **before**, when God is still holding back and the evil is still mighty. This specific era has a name in bible, its called in Rev. 17,12 "**One hour power of the beast**"

<https://www.bibleserver.com/text/KJV/Revelation17,12>

*And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but **receive power as kings one hour with the beast.***

And so, how long is "one biblical hour" and when did it start?

My first thought was: It is the biblical principle of conversion: 1 day in God's time = 1000 earth years

<https://www.bibleserver.com/text/KJV/2%20Peter3,8> ... *one day is with the Lord as a 1000 years,*

If 1 day = 1000 years, => then "1 hour in God's time" = 1000/24 = 41,66, 41 years and 8 months???

But it didn't fit and I realized that "one hour" is not to be calculated, its just a "certain period of time like here:

<https://www.bibleserver.com/text/KJV/Luke22,52>

53 When I was daily with you in the temple, ye stretched forth no hands against me: but this is your hour, and the power of darkness.

3.4 70 years of "Babylonian Captivity", in our time captivity of Christians under Humanism

Finally I realized how simple it is. The "Babylonian Captivity" is the clue for the understanding. What happened there to Israel physically is happening to Christianity spiritually. A period of 70 years captivity. The beast is the spirit of the UNO, the whore is the World Council of Religions and the horns are humanistic Ideologies. Their "one hour power" started in 1948 with the UN-Declaration of human rights.

It all started in 1948. I later show why.

4. The geographical/political and spiritual Empires

4.1 "Army principle", the BEAST (Rev. 13) out of individual animals (Daniel 7 and 8):

In [Daniel 7 4](#) animals are described, lion, bear, panther, " other animal" X with 10 horns
 In [Rev. 13](#) a (entire) beast is described from parts of bear, lion, panther and (X) with 10 horns.
 So how within the entire beast of [Revelation 13.4](#) there are individual animals from [Daniel 7](#)
 so are ram and goat of [Daniel 8](#) also a part of the 4th beast of [Daniel 7](#).

This is comparable to the subdivision of a entire army in divisions, brigades, regiments, etc.
 Looking at the total army, you can see at the same time also the parts (see scheme at 4.2).

4.2 The understandig levels of Political and of Spiritual empires, Ideologies, Philosophies :

The book of Daniel itself only explains the four political empires, so today the world would be under the political rule of the Roman empire. But on the spiritual level, the world lives under the spiritual rule of greece humanism. "Kings" (Persia/Greece) of [Daniel 8](#) is not only about a political ruler, but this is something spiritual at the level of the "Angel Prince" from [Daniel 10,13](#). They are spirits, not people. The real understanding you get by the spiritual empires, and here we life in the 1. RETURN of humanistic Greek empire. Here the heads and horns of the beasts are not political kingdoms and the meaning here can not be found in antiquity, but in the 20th Century.

<https://www.bibleserver.com/text/KJV/Revelation13>

... and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, ...

<https://www.bibleserver.com/text/KJV/Daniel8>

*... **a ram which had two horns**;... but one was higher than the other, and the higher came up last. ... and the goat came from the west on the face of the whole earth...and **the goat had a notable horn**...and smote the ram, and brake his two horns: ...the he goat waxed very great: and when he was strong, **the great horn was broken: and for it came up four notable ones** toward the four winds of heaven. And **out of one of them came forth a little horn**, which waxed exceeding great, toward the south, and toward the east, and toward the pleasant land ... The ram which thou sawest... are the kings of Media and Persia. And the goat is the king of Grecia:*

The "entire beast" exists like in Rev. 13 in the army principle, out of 4 individual animals:

Beast 1 = family/clan, **consanguinity-racism-hate-fight**

Beast 2 = clan/nation, **ethnicity-racism-hate-fight**

Beast 3 = class society, 4 different class (noble, clergy, citizen, slaves/proletarian) **class society-hate-fight**

Quote: "Seen psychologically, the feudal state reflects the internal structure of the family or clan, class society reflects the position of the family or clan to the outside.

Beast 4 = humanism, dualism between apparent antagonists, Show fights Satan/Lucifer, ram/goat, north/south

| Entire beast of revelation 13, SPIRUTUAL Empires | | | | | | | | | | | | | | | |

K= Kopf(head) H = horn R = ram G = goat KS, KN = Kings of the south and the north

ram = socialism, Horns: Fascism and communism (authoritarian political dictatorship)

goat = democratic liberalism, Horns: Human rights, (antagonist to authoritarian dictatorship)

king of n. = capitalism and globalization, Horn: economic dictatorship (destructive to people and nature)

king of s. = environmental religion, Horn: "one mother earth" (antagonist to destructive capitalism/globalization)

---> **ONE head with FOUR faces**, one to West, opposite to East, one to North, opposite to South.

They have the following in common:

- Rule of an ideology (not only ruling persons like in absolutism)
- Name of ideology humanism (Base: atheism, naturalism)

They have the following differences:

- The kind of Dictatorship
 - socialism: openly authoritarian/dictatorial,
 - democratic liberalism: covered authoritarian "no tolerance of intolerance")
 - capitalism/globalization: openly authoritarian/dictatorial
 - environmental religion: covered authoritarian "because we are in the same boat")

4.3 The meanings of the horns

The horns of the ram (socialism):

The horns of the ram (socialism) are: 1. Nationalsocialism/fascism 2. Communism.

The horns of the goat (Democratic liberalism):

1. **First Horn** = Human rights in the form of 1776/1789
Keystrategie: Defensive seeking PROTECTION against all demands except "Peoples will"
(God's commandments on the subject of sin like fornication, sodomy, adultery etc. are replaced by the principle of human consensus. Article 4: "*.. the freedom, to do anything that does not harm another... These limits determined by the law.*" Thus God's commandments are out leveraged.)
Charter of the United Nations of 26 June 1945, the idea of the protection of human rights is generally recorded as a destination in the definition of the purposes of the United Nations.
2. **Four Horns** = Human rights in the form of 1948/1976
Universal Declaration of human rights (UDHR) by the 10.12.1948 contains a comprehensive catalogue of 1. civil, 2. political, 3. economic, 4. social/cultural human rights. God's way to the protection of the people is the prohibition of sin. Devils way is the "right" of the people to be free from law and moral...
Because UDHR was not binding, so in 1966 created and in 1976 in effect came the real covenants ...
On 16.12.1966 the International Covenant on Civil and political rights (Civil Pact), as well as the economic, social and cultural rights (Social Pact) were created. Entry into force: social pact 03.01.1976, civil pact **23.03.1976**
3. **Little Horn** = anti-discrimination laws.
Keystrategie: Offensive formulating and demanding RIGHTS and later changing them in obligations and positioning them on others with words like "no tolerance of intolerance"
So first the rise of human rights started with fighting visible injustice like oppression of women. Then it changend into ideologies like feminism and demanding of rights and later in privileges that collide with other rights. So in the end these "rights" develop into dictatorial demands that oppress Christians out of conscience reasons. For example when feminism comes to the "right and demand for abortions" and you are a christian doctor or if homosexual activists want to marry and you are a christian registrar, it leads to persecution of Christians "in the name of human rights."

Kings of the North and South:

North: Spirit of capitalism and globalization

On 01.01.1948 GATT was founded as a precursor of the World Trade Organization (WTO)

South: Spirit of environmental religion as an antagonist of the destruction by capitalism and globalization.
In 1948 the International Institute of Agriculture (IIA, founded in Rome 1905) was handed over to the Food and Agriculture Organization (FAO, founded in 1945) of the United Nations, it was the first global "environment program" to later "repair" what globalisation destroys.

4.4 The beast that was, and is not, even he is the eighth, and is of the seven

<https://www.bibleserver.com/text/KJV/Revelation17,11>

And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.

Here its about HUMANISM and its origin in the SPIRITUAL Empire of GREECE

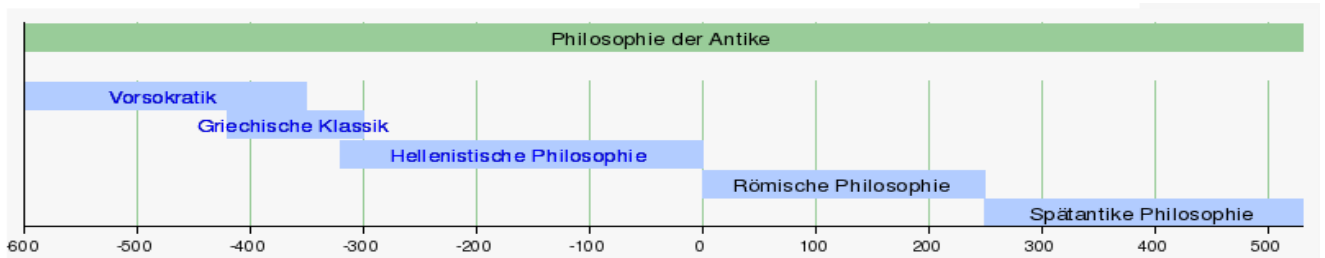

When we look to the four animals in the book of Daniel, it is clear that its spoken here of political empires the last one is the Roman empire.

But the beast from the sea in Rev. 13 is first a spiritual might, it is the spirit of the UNO but you can only understand it spiritually. So here the forth animal is not roman but greek.

We see this when we check the origin of roman humanism, like from the roman philosophe Cicero. The origin of this philosophy is greek, Cicero especially mentioned the greek "philanthrōpía" as a fundamental part of his humanism, so the basis of roman humanism is greek.

But when the Revelation was written by the Apostle John in the first century, it was exactly like it is written in Rev. 17,11 *And the beast that was, and is not, even he is the eighth, and is of the seven*

Its about Philosophie and there the age of the greece Philosophie was already gone, like you see here:

...the beast that was... ==> is the greece Philosophie,

...and is not...==> this is what you see in the graphic, in 1. Century the Greece philosophy officially was over

...even he is the eighth, and is of the seven ... ==> Remember here at 4.2, the 4th animal contains the 7th head and all 10 horns of the entire beast. When Revelation was written, it was in the time of K6, "Pontifex Maximus"

<https://www.bibleserver.com/text/KJV/Revelation17,9-10>

...The seven heads are seven mountains, on which the woman sitteth. And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.

| | | | | | | | | | | | | | | | | |
|---|---|---|----|----|----|---|----|----|----|----|----|----|----|----|-----|----|
| | | | | | | H1 | H2 | H3 | H4 | H5 | H6 | H7 | H8 | H9 | H10 | |
| | | | | | | R | | | | G | | | | | KS | KN |
| K1 | K2 | K3 | K4 | K5 | K6 | K7 | | | | | | | | | | |
| Beast1 = lies of era family / clan (racism hate, etc.) | Beast2 = lies of era clan / nation (nationalism hate, etc.) | Beast3 = lies of era intern. class-societies (class fight hate, etc.) | | | | Beast4 = lies of era humanistic ideology (downplaying sin, etc) | | | | | | | | | | |
| Entire beast of revelation 13, SPIRUTUAL Empires | | | | | | | | | | | | | | | | |

Here its about 7 systems of government. And I think K6 is the Roman "Pontifex Maximus" / Caesar that later became the Papacy until today and during Feudalism and Absolutism. "Fallen" does not mean not existing, but power in the class society was in the hand of the roman "Pontifex Maximus", from 12 BC on in combination with title Caesar, later known as "Pope". And since era of "enlightenment", power has K7, humanism.

So when it says "the eighth , and its of the seven" I can only understand it like this, that "the eighth" is the same like the seventh, after the deadly wound got healed like here:

<https://www.bibleserver.com/text/KJV/Revelation13,3>

And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

Greek humanism gets TWO times revived, first through roman humanism and then after the deadly wound in the time of the doom of Babylon, it comes back during the time of tribulation.

<https://www.bibleserver.com/text/KJV/Revelation17,10>

And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.

This short space was from the middle of the 18th Century until today, around 250 years.

5. Babylon and the timeline to its doom, Rev. 17 and 18

5.1 Babylon, a principle/system, but also a real city, probably New York City

Basis of the meaning of Babylon: **Lie / deception - the false good / Wolf in sheep's clothing - ecumenism**
A Principle of Babylon is **Spiritual Contamination by False Compromises** like by the ecumenical movement.
In AT warlock Bileam failed to curse Israel, because it needs our sin through compromise to get under curse.

This can be done on a local level even by leading a parish or even moderating a Christian internetforum too liberal, but on a worldwide level we have to think first to the ecumenical **World Council of Churches (WCC)**

So Babylon is represented spiritually today by the **Ecumenical United Nations Office (EUNO)** in New York.

=> Connection between WCC and UNO through EUNO is like the whore of Babylon sitting on the Beast

<https://www.bibleserver.com/text/KJV/Revelation17,3-6>

So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns.

4 And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:

5 And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.

6 And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.

Remember, the scarlet beast is political, the beast from the sea is spiritual, but when you look to the numbers of the heads and horns, in deed its like "a copy in red"

And being guilty of the blood of Christians here does not mean physical blood but being responsible for the spiritual death like in the following bible passage:

<https://www.bibleserver.com/text/KJV/Ezekiel3,18>

18 When I say unto the wicked, Thou shalt surely die; and thou givest him not warning, nor speakest to warn the wicked from his wicked way, to save his life; the same wicked man shall die in his iniquity; but his blood will I require at thine hand.

And that the whore whores with the beast and its horns but the horns hate her and harm her is exactly the relation between liberal Christianity and humanistic ideology, humanism whores with all that is liberal, but in the end, humanism hates Christianity anyway.

Ancient freemasonry is based on babylonian spiritism and this is the way Babylon conquered the world and especially the UNO, WCC and EUNO in New York. Also Rom or London or Washington etc. are Cities full of Babylonian freemasonry but no City is representing "Babylon sitting on the Beast" like New York City with the Statue of Liberty representing the Babylonian goddess Ishtar and the WCC "sitting" on the UNO.
The beast is the spirit of the UNO.

5.2 How to talk and how not to talk about dates and places of the doom of Babylon

1. Even when we shall be happy about the fall of the evil system, we must be sorry for people dying in the city.
2. About rapture constantly new data are published by some "experts" and "fake-watchmen", this got "normal" but this way is forbidden on the subject of Babylon, fakes and panic would make the whole world hate us. Here you must return to the biblical understanding, one wrong prediction in the name of God already means death, SHUT UP with fake-predictions in the name of God, shut up with speculations, until really god gives the signal ! This means especially dates. Also Los Angeles and the whole westcoast expects catastrophe and also Rom and many places, today its nothing else with New York, this is not to create panic. But with dates, we shall not speculate in public like many do it in the case of the rapture. Remember:

<https://www.bibleserver.com/text/KJV/Deuteronomy18,20-22>

But the prophet, which shall presume to speak a word in my name, which I have not commanded him to speak, or that shall speak in the name of other gods, even that prophet shall die.

5.3 Data of the doom of Babylon (not to set dates for the public without being ordered to)

Here we have to go back to **3.3**

“One hour power of the beast” as the last evil era before the doom of Babylon, probably NYC

There I said at 3.3: *“To me it seems, it all started in 1948. I later show why.”*

<https://www.bibleserver.com/text/KJV/Revelation17,12>

*And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but **receive power as kings one hour with the beast.***

As I showed, this is about the HORNS, they are the important detail here. And I showed at 4.2. and 3.3. how the horns came into power in the year **1948**

My mistake for years was to look to the time when the other horns followed the big horn, but this has no relevance, they are to be regarded as already included in the big horn, they all together came to power in **1948**.

The FOUR later horns were included like this:

“The 1948 universal and inter-American declarations of human rights set forth comprehensive catalogues of 1.) civil, 2.) political, 3.) economic, 4.) social and cultural rights “

(From: The Oxford Handbook of International Human Rights Law)

Doesn't these intentions sound nice? But they did not only free poor woman and slaves, later they demanded more like feminism and gender mainstreaming and abortion to pervert society and destroy families.

Or they define a “right for nonviolent upbringing and education” but the bible says

<https://www.bibleserver.com/text/KJV/Proverbs13,24>

He that spareth his rod hateth his son: but he that loveth him chasteneth him betimes.

So human rights stand against bible. To ban abuse and torture, yes, but often its against the bible and its sense.

And the last, the “antidiscrimination-horn” homosexuals and abortion-fans use today to persecute Christians. It later just was constructed out of the word “equal” in the Universal Declaration of Human Rights 1948. Article 1 that states that “all human beings are born free and equal in dignity and rights.”

All began 1948, 70 years ago.

And the main event was the 10.12.1948, the Universal Declaration of Human Rights in the UNO in New York.

This about the side of the beast. And on the side of the whore it is like this:

“The World Council of Churches (WCC) was founded 23.08.1948”

So **in my understanding** it is like this:

The UNO was founded in 1945, dominated by the beast.

Then on 23.08.1948 the “Whore of Babylon” took her seat on beast.

And on 10.12.1948 the horns of the beast, on which the whore is sitting, got power.

And so “70 years power of the beast” would be in 12/2018

And because also the state of Israel was founded in 1948, I believe 70 years is the period of the “one hour power of the beast”.

But this does NOT mean, that on the 17.12.2018 New York will be destroyed from god with fire from heaven.

No, I am SURE that this will not happen then, but later.

And god will before of that prepare someone like Mose, tell him the day when New York will be destroyed and more than 10 Million people could be killed. And then he will send him to New York, with a clear appointment and assignment to lead the Christians out of New York on exactly the day it will be destroyed.

I already have a clear opinion of the date in the time after 2018, I have a clear opinion of the date of the day, but I don't tell it to public today, I tell it only for documentation some people who don't spread it, because I can still be wrong, I have no assignment to speak out. So call it “speculation”, but I still don't address dates to the public.

6. Time after of the doom of Babylon, the good and the bad years

6.1 First marriage, then :-) then birth etc. ! Not whoring, the true timeline as I understand it

As I said before, only Matth. 24 is written chronically, but not the Revelation:
Here my understanding of the true chronology until Rapture

1. Rev. 13, 1-2
The mighty beast, but before it gets its wound, this is the time of the "one hour power of the beast"
2. Rev. 17
The same time "one hour power of the beast"
3. Rev 18 and Rev. 13,3 (first part of verse 3)
Doom of Babylon, wound of the beast, beginn of the good time
4. Rev. 19, 1-10
Beginn of the good time and marriage of the lamb
5. Rev. 12,1-5 (first part of verse 5)
Birth comes after marriage, Jesus and the bride of Christ are not whores !!!
Birth of the "boy with the iron rod", the new spirit of the bride of Christ, ready to reign the earth with Christ in Millenium. This will show up like a preview, and then will come tribulation.
6. Rev. 13,3 second part - Rev. 13,4-18, Matth 24; Rev. 12,1-5 (second part of verse 5)
After around 3,5 good years for us, the wound of the beast gets healed, it gets its power back, the new spirit of reigning the earth must get back in waiting position, the iron rod is taken away and this is the start of around 7 years of tribulation
7. Rev. 6,12-14 and Rev. 7,9-14 and Matth. 24,29 and 1.Thess. 4,16 is the same moment of the rapture.
The rapture takes place at the opening of the sixth seal.

Trumpets and shells of anger ... are after the rapture, when the Christians are for 3,5 years in heaven before they come back for Millennium.

But here we want to look for the time after the doom of Babylon, the time of Rev. 19, 1-10
Begin of the good time and marriage of the lamb

The death of about more than 10 Million people because of false compromises of the Christians and the words of the guy leading some serious Christians out of New York will shatter Christianity and purify the "bride".
The bride lives together with the whore in dirt today, Christ does not want her so. After the death of the whore the bride **"will make herself ready"**

<https://www.bibleserver.com/text/KJV/Revelation19,7>

7 Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready.

AFTER this there will be the birth of our new "reigning spirit" for the use of the "iron rod"

Rev 2,26 And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations: And he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of my Father.

Rev. 12,5 And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne.

"the boy with the iron rod", will be our new spirit then, after "getting sexy" (spiritually, of course) and having marriage (spiritually, of course) and then birth....

6.1 Why is ecumenism so terribly evil?

There is an absolute misunderstanding about Christian consequence. I hate all the heresies, catholic, orthodox etc. so all Christian heresies and also all false religions like Islam, Hinduism, Buddhism etc. as false teachings.

But that's all. I love the people, the catholic, orthodox etc. so Christian heretics and also the followers of other religions like Islam, Hinduism, Buddhism etc., if they seek the good and only have not found the right way. I can not have satanic friends who call eating babies good, but I had always Muslim or catholic friends who seek the good but only have not found the right way, I don't support cartoons of their prophet or Mary idols, I respect the people, the only thing is that both sides must have the right to say, that the other side and their way is wrong

This right I defend with my life, before I give up this right, I first give up my live. But I grant the same right for criticism also to other people, they can also criticize me and Christianity and simply call it the wrong way. If you give up this right, you can do what you want in your church, but in Gods eyes above all your Christian activities is written "The God of the bible is dead, we worship the gods of Babylon".

Also Usa "meant it good" but was killed for **desecrating** God.

<https://www.bibleserver.com/text/LUT/2.Samuel6,6-7>

*6 Und als sie zur Tenne Nachons kamen, griff Usa zu und hielt die Lade Gottes fest, denn die Rinder glitten aus.
7 Da entbrannte des HERRN Zorn über Usa, und Gott schlug ihn dort, weil er seine Hand nach der Lade ausgestreckt hatte, sodass er dort starb bei der Lade Gottes.*

And much much much more problematic it is to say: We have good intensions of love and peace so God will call it OK when we compromise with other beliefs....

NO, to hell with this kind of "love, peace and unity" that comes through compromising gods will and holiness.

I know all this serious and reputable appearing Christians and how they are shocked from such words and this is what I intended to make them think.

I am talking here about a world where Millions of people will die in New York not only because of their own guilt but because of the false compromises of mostly the hole Christianity.

Your whole thinking is totally depraved and degenerated, you and your silly brains have to be shaken.

To be a satanist is bad, to be a Christian who lives in constantly ongoing sin like adultery is worse, but being a pastor that gives up his duty of demarcation against heresies, is the absolutely worst **even if its done for "love and peace", to hell with this shit and lies of "love and peace" through false compromises, with this feminine kind of heresy earth was polluted since Adam and Eve. Also Salomo was overpowered by that..**

The principle of Babylon is pollution and sacrifice of principles in the name of love and peace and unity.

Your convictions are pollution to my belief and my convictions are pollution to your belief, but for the sake of love, peace and unity we give up our positions for a compromise?

NO, doing this we both send the message: There is no holy god, god is dead, we can manipulate his word and shit on his will.

And it's a LIE that there are only the opportunities of making false compromises in the name of "love, peace and unity" or that the only alternative is war. No, the alternative is fair competition. I am even more "liberal" than today the liberal Germans who prohibit the Salafist movement to distribute the Koran on German streets.

All you liberal idiots out there, what are you thinking. Let my deceived friends their god given right to promote their false religion. Stop hindering a fair competition of beliefs and religions. You totally idiots and liberalictators, thinking I would be the one who wants war and suppression, no, it's the other way round, my friends the Salafist worship by mistake the false god, but you ecumenical bastards want them and me to admit both by compromise that our both gods are dead and so automatically worship your Lucifer, you ecumenical bastards.

Its good not to kill and eat babies or do adultery, if such good rules Salafists or Hindus etc. teach too, we can lovely peacefully unite **but in fair competition** about the question, where is the true source of all good rules.

7. Time of tribulation and "Taking away of the sacrifice"

7.1 One tribulation of Gods children by Satan and other trib. of the Satans children by God

The "tribulation by Satan" TBS of the children of God is increasing from the middle of the 7 years. Increasing suffering is then accompanied by signs of God as during the passion of Jesus, there was the darkness and later the earthquake. In the end times the accompanying signs are from the two witnesses in [Rev. 11](#).

The "tribulation by God" TBG of the children of Satan begins in the middle of the TBS and increases from the time of the rapture of the children of God, what marks the middle of TdKS, then increase of their pain.

The 1st phase of the the TBG is due to the work of the two witnesses of [Rev. 11](#)

The 2nd phase of the TBG is accompanied by the trombones [Rev. 8 and 9](#) as well as bowls of wrath [Rev 16](#)

7.2 Further considerations to the distress of the children of God by Satan

The torture in the "synagogues" [Matth 10.17](#) you may imagine even as psychiatric treatment, may be using chips that can cause pain and detect thought patterns based on brainwaves. Detect worshipping Christians through pattern of brainwaves would trigger so the 'punishment' automatically. In such condition a Christian life would extremely difficult or even impossible. So this would be a abomination of desolation in the "sanctuary".

7.3 The New Testament Temple

[1 Cor 6.19](#) Or know ye not that your body is a temple of the Holy Spirit who is in you and you have from God, and that you not make yourselves heard?

So in new testament with "Sanctuary" is not meant the Jewish Temple in Jerusalem nor physical animal sacrifice

7.4 The New Testament " sacrifice services"

[1.Petrus 2,5](#) *Ye also, as lively stones, are built up a spiritual house, an holy priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ.*

[Rev. 8, 3](#) *And another angel came and stood at the altar, having a golden censer; and there was given unto him much incense, that he should offer it with the prayers of all saints upon the golden altar before the throne.*

[Hebrews 13,15](#) *15 By him therefore let us offer the sacrifice of praise to God continually, that is, the fruit of our lips giving thanks to his name. 16 But to do good and to communicate forget not: for with such sacrifices God is well pleased.*

7.5 The time duration of the tribulation period

[Dan 9.27](#) *And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate..*

A week means here 7 years or with taking into account the leap years approximately 2556 days

In the middle of the period, the sacrifice will be abolished after

[Hebrews 13,15](#) *By him therefore let us offer the sacrifice of praise to God continually, that is, the fruit of our lips giving thanks to his name.*

That is reintroduced after the Rapture. This period of time that actually would take 2556 days, takes only 2300 [Dan 8.14](#) *And he said unto me, Unto 2300 days; then shall the sanctuary be cleansed.*

This results in a shortening of the tribulation period 256 days. This time however will be by my understanding at the beginning of the 14 year end time, in the sense that the good years just start later.

8. Rapture and 2. coming of Christ

Revelation 12 and 13 is before Revelation 11 and before Revelation 6.12.

[Matth. 24,29](#) and [Rev. 6,12-14](#) and [Rev. 7,9-14](#) and [1.Thess. 4,16](#) is the same moment of the rapture. The rapture takes place at the opening of the sixth seal.

[Mt 24,29](#) Immediately a) **after the tribulation of at the time b) will the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken. 30** And then shall appear the sign of the Son of man in heaven: c) and then shall **all the tribes of the earth mourn**, and they shall see the Son of man coming in the clouds of heaven with power and great glory.. d) **31 And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of heaven to the other.**

[Rev. 6.12](#) And I saw: when he opened the sixth seal, there was a great earthquake, and b) **the Sun was dark as a black bag, and the whole moon became as blood,13 and the stars of the sky fell to earth, as a fig tree dropping its figs when he is moved by strong winds. 14** and the heaven gave way like a scroll that is rolled up, and all the mountains and islands were moved away from their place. c) **15 And the kings of the earth and the great and the supreme and the rich and the mighty and every slave and every free man, hid themselves in the caves and in the rocks of the mountains 16 and said to the mountains and rocks: fall on us and hide us from the face of him** , who sits on the throne and from the wrath of the Lamb! **17 for the great day of their wrath has and who can stand?**

[Rev. 7.9-14](#) d) Then I looked, and behold, a great multitude which no one could count, from all nations, tribes, peoples, and tongues, which **stood before the throne and before the Lamb**, clothed with white robes, with palms in their hands, **13** and one of elders began and said to me: who are those that are done on the white robes, and where did they come? **14** and I said unto him: Sir, you know. And he said unto me: **a) these are ones that come out of the great tribulation and have washed their robes and made them white in the blood of the lamb.**

[1.Thess. 4,16](#) d) For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with **the trumpet of God**: and the dead in Christ shall rise first: **17** Then we which are alive and remain shall **be caught up together with them in the clouds, to meet the Lord in the air**: and so shall we ever be with the Lord.

9. After the Rapture we are 3.5 years in heaven, on Earth the shells of anger

As I said, is the principle 14 years endtime, 7 good and 7 bad years , the image from the story of Joseph. Special feature 1 is that the "7 bad years" in my understanding are shortened to 256 days. But not through an earlier end, but through a later beginning. Special feature 2 is that the "7 good years" are in two parts and the second half is spent after the rapture in heaven, when for 3.5 years on Earth the trumpets and bowls of the wrath of God bring judgment to the wicked.

10. Return of Christians and resurrection 1 to Millenium and 3. coming of Christ

Here by me this same event at the beginning of the Millenium in a collage of Bible passages that fit together:

[Rev. 19,11](#) And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war. [1 Cor: 15,52](#) Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed,52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. [Rev: 11,15](#) And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever. [Rev: 20.1-2](#) And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand.

2 And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a 1000 years,

11. Testimony

By the age of around 14, my interests were playing soccer. On saturday we went to church, it was boring to me but so as not to fall asleep, reading the book of Revelation was quite more interesting to me than listening to the sermon. But it was a compromise solution for such situations, not real interest, it did not shape my thoughts during the week I thought to playing soccer and doing things like this.

Then one night I suddenly woke up with really, really strange words in my mind and I new from the first moment on, that these were not my thoughts, this came from outside. I could easy say that I heard a voice, but I want to be honest and exactly, I heard nothing with my ears, it was inside me but it was NOT FROM inside me. I had never ever before or after this such an experience.

From the first second I awoke, I was shocked and absolutely sure that this was not a normal thing but a experience with god.

And the strange sentence was:

“Ist angesichts der klar vor mir liegenden Ereignisse der kommenden Jahre, nicht jeder Egoismus in erster Linie Selbstbetrug”

That means: *„Isn't all egoism primarily self-deception in face of clearly understanding whats happening in the following years”*

During these years I gave Jesus my life, but baptized I was around ten years later, in our church baptism was used more like a decoration for veterans than as biblical start gift for beginners.

Then, by the age of 28, I was thrown out of church. Some said I am crazy, some said I am devil-possessed. Around six month before, in summer 1993 the church invited me to “inquisition”, said to me “Better you” and called me crazy and evil. The preacher Dr. Heinz F. proposed that I must get a guardian like a underage. So I asked the elders Friedrich F. and Wilfried D. to make concrete accusations but they refused and said: “We don't talk about concrete things today”. So I could not answer for the accusations and then the whole community of the church insulted me, but without concrete accusations. In this moment I said: “One day, we will come back to this point.”

A while later, it was around autumn 1993, one of the two elders, Wilfried D., again threatened me with throwing me out of the parish.

I answered: *“If you will do this, God will fight for me, check me with these words.”*

Then on the third saturday of January 1994 I was the last time in that church, the following week I got a written ban, I was forbidden to come again to church.

Two years later the elder Wilfried D. died and the elder Friedrich F. resigned because of quarrels in the parish, soon after that he died too.

This was striking and notable to some people and I was asked how I think about this and I said: *“Well, I didn't wish that things came like that.”*

Then some years later, a church member, Gerhard A., asked me, if I want to come back to the church. I answered, that I myself never quit the church, they threw me out, so why ask me if I want to come. Then he asked me, if I would ever complain to the police about any church member. I said *“Of course, if its necessary”*

When I said this, he was not interested about further inviting me.

So it seems, that this was the reason they threw me out, if later it was the decisive point to invite or not to invite me again.

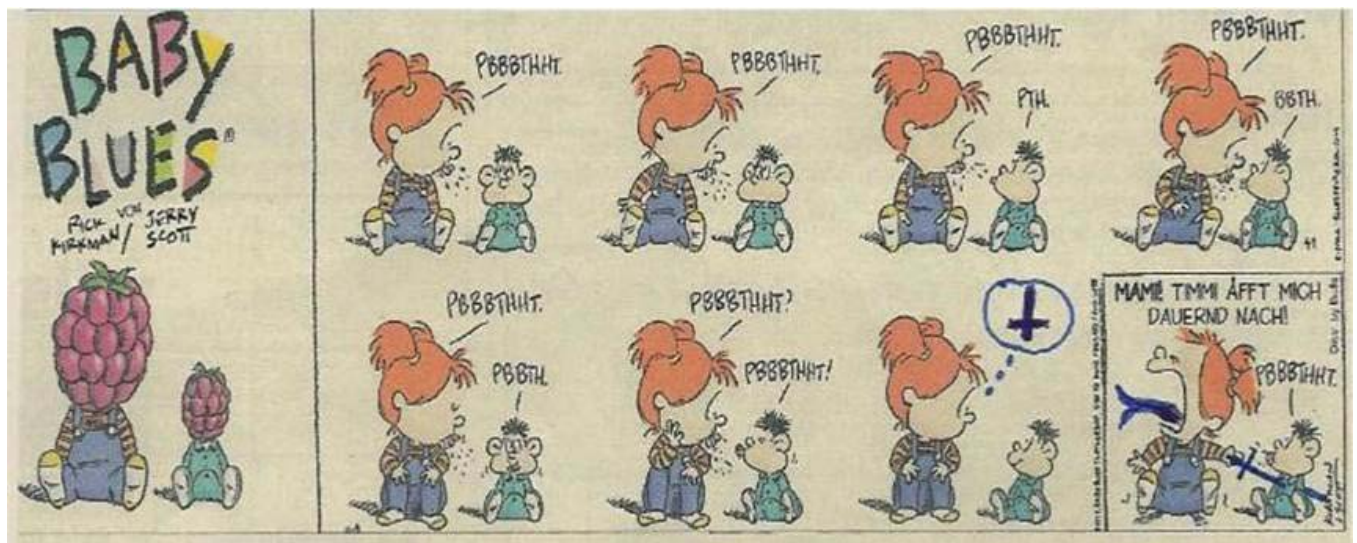

OK, I once complaint to police, after I saw how a little 4 years old boy had to leave the safe pedestrian walk and go on the dangerous street because a member of the church was to lazy to park his car on the regular place. First I said it to the member, then to the elders, then I said, as long as I go there, it feel responsible for the children on the street put in danger by a parish that fails to see what is wrong or right. So I did it the biblical way:

<https://www.bibleserver.com/text/KJV/Matthew18,14-17>

15 Moreover if thy brother shall trespass against thee, go and tell him his fault between thee and him alone:16 But if he will not hear thee, then take with thee one or two more, ...17 And if he shall neglect to hear them, tell it unto the church: but if he neglect to hear the church, let him be unto thee as an heathen man and a publican.

Later I repeated reporting every sonday and they went crazy about me, feeling for themselves like being innocent lambs, hunted by a wolf, but in deed, it was the other way round, I protected the innocent lambs on the street from the dangerous deeds of the Hallelujah-singing wrongoers.

So this was the only concrete accusation they made against me, years later. For something else they did not find words, but may be I can help them with some "bitter-sweet" drawing, in my case/life.

So as I said, I was thrown out in 1994 and the accusations against me went very deep, they called me insane and devil-possessed.

So I said, lets see what god says to this, I wait until God rehabilitates me against my "brothers" like he did in the life of Joseph, before this happens I don't want to start a family as an "outcast".

So I stayed alone my hole life. I was 28 when they threw me out, now I am 53.

Next month it is exactly 25 years that I was thrown out and around 40 years since my "vision".

So it would be an own book, what happened in these 25 years to me. But I gave my whole live up for my hope and my believe, that god will rehabilitate me against my brothers like he did it for Joseph.

2009 I wrote the first version of the bible-explanations in two days. Then I did not touch or change it for many years, then I added a little, changed a little. For example how to call the horns of the goat, I started with "democracy", I knew it must be something greek, but first I did not see the details, that its about "human rights". And so on, I already then understood main things, not details. During the years I think my bible-understanding is Ok, but when it comes to dates of happenings, I have no "story of success"... So: No reasons to just "believe me", but reasons to check and pray....
